Our diverse team has decades of experience in conducting both quantitative and qualitative research, ranging from broad national surveys, to focus groups, to membership surveys, and all points in between.

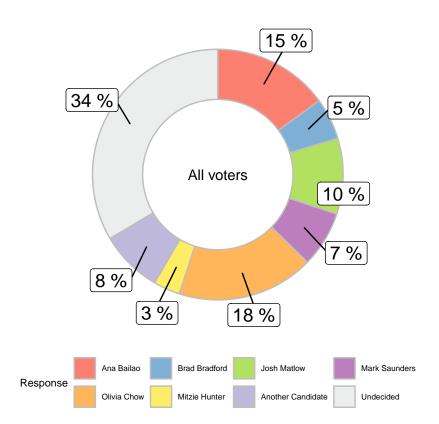

Mainstreet Research is a proud corporate member of CRIC and exceeds all Canadian and international standards for market research and public opinion research.

#### Methodology

The analysis in this report is based on results of a survey conducted from Tuesday, April 25th to Wednesday, April 26th, 2023, among a sample of 996 adults, 18 years of age or older, living in Toronto. The survey was conducted using automated telephone interviews (Smart IVR). Respondents were interviewed on landlines and cellular phones. The survey is intended to represent the voting population in Toronto. The poll was conducted in English.

The margin of error for the poll is +/- 3.1% at the 95% confidence level. Margins of error are higher in each subsample. Totals may not add up 100% due to rounding.

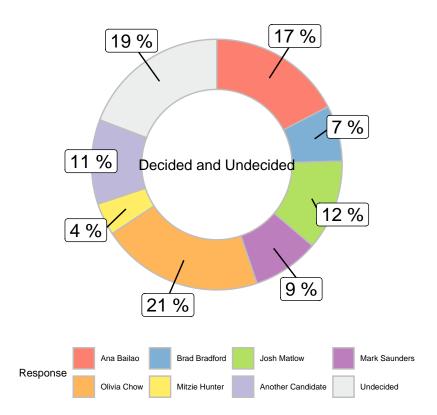

This poll was commissioned by and is the exclusive property of Mainstreet Research and QP Briefing. Any reproduction, in whole or in part of this report or the data contained herein is expressly prohibited without written authorization by Mainstreet Research and QP Briefing. If the mayoral election were held today, which candidate would you vote for? (All voters)
